V&S Publishers CATALOGUE 2019

COMPANY PROFILE

V&S Publishers absolutely stands worthy of its name as it emphasizes on its ideals of providing its customers with '**Value & Substance**'. As a unit, V&S Publishers has taken on the mission of forging a strong identity in this competitive world, by moving towards success and taking steps in leaps & bounds.

Our Logo, **The Eagle**, signifies **Perception, Vision & Strength**. It is the single image by which we completely identify ourselves. However, our Logo in no manner projects over confidence and complacency. We continuously strive to achieve perfection, knowing that the sheer perception of it keeps changing with the changing times. That is why we give an assurance of delivering quality content and value to our audiences.

Being based in a country like India, we completely understand the need of the Indian Reader and always work towards his upliftment by providing various books on diverse subjects, which address the most fundamental needs of the common man. We publish informative and inspiring titles in virtually every segment of book trade ranging from self-help to health to career & business, women oriented, children books, cookery, religion, family & relationships, etc. In this manner, we are fulfilling the aspirations and expectations that our customers have from us.

Having a constantly growing backlist of quality content titles clearly symbolizes the innovative and customer focused spirit of the Company. It is our belief that with such a distinguished and strong vision and complimentary hard work, we can fulfil our aim of building a strong network and expand to Global levels in the near future. The company also views its social responsibilities seriously and aims to create books that would help the general reader achieve his/her personal goals - be it social, professional or commercial.

With all our **E-books** available with major retail platforms such as *Apple iBookstore, Barnes & Noble, Amazon Kindle, Kobo*; as well as big e-book aggregators such as *OverDrive.com*, we have proved that we know how to remain one step ahead of our competitors. Our highly designed and validated electronic titles conform to the in-practice industry standards and aim to reach every possible segment of this highly diverse book market as soon as possible.

We have extended our reach substantially by partnering with all the major online vendors. All our titles are available and selling in huge numbers on web portals like **Flipkart, Infibeam, Snapdeal, Amazon**. The response from our online vendors has been nothing less than overwhelming and we look forward to receiving such support from our audiences in the future as well.

We take immense pleasure and delight in showcasing our latest and most astounding collection through our revised catalogue! It envelopes a whole range of books in virtually every segment of the general trade. We hope that you will find these titles to your liking and would provide us with such continuing encouragement as we have received in the past!

"To sell books is only the beginning of our mission, to build an avid audience of readers who are enriched by these works - that is our ultimate purpose"
